

## Concrete Mixer Truck Driver

Concrete Mixer Truck Drivers at Fred Hill Materials enjoy a fulfilling and prosperous career supplying Kitsap, Pierce, Mason, Jefferson and Clallam counties with quality concrete. Our Drivers work in a team environment, whereby each individual contributes to ensure the customer's satisfaction.

Our Mixer Truck Drivers enjoy top wages, overtime opportunities, an excellent benefit plan which includes, health, dental/vision and retirement.

To be considered for a Concrete Mixer Truck Driver position, candidates should possess a valid Commercial Driver's license (Class B or higher), a safe driving record, a stable work history which ideally reflects prior concrete, construction, and/or driving experience, and excellent work references.

Fred Hill Materials is proud to be a Drug Free Workplace. All applicants must pass a pre-employment drug test before they are offered employment with the Company.

Before you begin your new career as a Concrete Mixer Driver, you should be aware of some of the job requirements and expectations:

- Safety and Customer Service are our top priorities.
- You will need a flexible schedule. Start times vary daily and can often be very early in the morning. Finish times will also vary depending on the work volume of the day.
- Our drivers are often required to work on Saturdays.
- Good attendance is key to the success of the Company. Everyone is expected to maintain good attendance and punctuality habits.
- Driving the Mixer Truck is only half of the job. Once we arrive at the customer's jobsite, we provide first-rate customer service and display our expertise in placing the concrete exactly where the customer wants it.
- You will be working outdoors, in and out of your assigned vehicle.
- Be aware that inclement weather can interfere with our work schedules.

To be considered for a position, please stop by any of our locations or complete an online application and mail it to us at Fred Hill Materials, PO Box 6, Poulsbo, WA 98370.
